Amacom, United States, 2005. Paperback. Book Condition: New. 218 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Whether you were born a leader or have had leadership thrust upon you, you re in for a whole new set of challenges when managing other leaders. Think of the qualities that have brought you to a leadership role: your vision, confidence, and charisma, or perhaps your experience, unique skills, expertise, or network of powerful allies. Now remind yourself that other leaders share some or all of these qualities with you. The leaders you are called upon to lead may be other executives, highly educated experts, investors, board members, government officials, doctors, lawyers, or other professionals. The potential contributions of these elites to any organization are vital, but the likelihood of friction is also high if you don t manage relationships carefully. In any case, they are people with significant resources -- and strong opinions. How do you leverage the assets of the talented and powerful while making sure that egos remain unbruised? Leading Leaders breaks the challenge down into the Seven Daily Tasks of Leadership, and shows you how to carry out each task when you have to manage other leaders. The seven tasks and the special challenges they entail in leading leaders are: 1. Direction How do you negotiate a vision for the organization that other leaders will buy into? 2. Integration How do you make stars a team? 3. Mediation How do you resolve conflicts over turf and power among other leaders so the organization can move forward? 4. Education How do you educate people who think they are already educated? 5. Motivation How do you move other leaders who already seem to have everything to do the right thing for the organization? 6....
