His successful guide to sailing around the world, World Cruising Routes, has helped many aspirational voyagers turn their dreams into reality and follow in his footsteps. In this new book, Jimmy tells the story of his own travels in great detail. Decades of offshore sailing experience are distilled into this colourful account, which is packed with valuable observations, spiced up with entertaining anecdotes, and illustrated with brilliant photos from along the way. Much more than just an exciting report of his adventures, Jimmy draws on his experiences to share practical tips for those inspired to follow his example, along with important technical information.
