By California State Board of Health

Forgotten Books, United States, 2015. Paperback. Book Condition: New. annotated edition. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Annotated List of Text and Reference Books for Schools of Nursing This list of text and reference books relating to nursing and its allied subjects has been prepared for the purpose of assisting instructors in selecting books for students and for the training school library. A number of the books listed, with annotations, have, by permission, been taken from a list compiled by the Department of Nursing and Health, Teachers College, New York. Others have been annotated by specialists on the different subjects. The more recent nursing books are listed and annotated, making the lit, as nearly as possible, up to date. A list of representative periodicals is appended for readers who desire to keep in touch with current literature by means of book reviews outlined in these periodicals. While introduced as an aid in selecting texts and books for nurses libraries, it is hoped this bulletin will be of service to graduate nurses, special workers, and also to nursing organizations. About the Publisher Forgotten Books publishes hundreds of thousands of rare and...
