CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 114 pages. Dimensions: 9.0in. x 5.9in. x 0.4in.James McRory Smith lived for over 30 years at Strathchailleach, one of the most remote cottages in the Britain Isles. Standing in the shadow of the squat stone structure, it is hard to imagine a more isolated spot. The building sits alone in a vast tract of empty, featureless terrain to the south of Cape Wrath, in Sutherland. There is no access road, no running water, no electricity and no telephone. Yet James McRory Smith survived here, battered by the elements and devoid of human company. His story is a fascinating account of a man pitting his wits against the wilderness, enduring endless isolation and existing, for a large part, off the land. James lifestyle belonged to a bygone age, yet he lived it in the 20th century, turning his back on the luxuries and conveniences of the modern world. This biography provides readers with an inspiring account of a modern day hermit. It offers a rare insight into an alternative way of life, one that is far removed from the norm. At a time when people are becoming increasingly concerned about consumption and consumerism, and their impact on the environment, James McRory Smiths story demonstrates the practicalities and challenges of the frugal, self-sufficient lifestyle many people dream of. However, this is not intended simply as a social history, is also a true-life story of adventure and survival. This item ships from La Vergne,TN. Paperback.
