Brand New Book ***** Print on Demand *****.#1 Amazon Bestseller: Step-by-Step Organic Berry Growing Guide For Beginners Veterans A proven, simple to follow guide that will teach you How To Easily Grow Any Type of Berry Organically In Any Environment! No longer is organic food viewed as simply a fad, trend or a marketing technique. There is a multitude of scientific evidence to support the nutritional benefits of consuming organic fruits and vegetables as opposed to their pesticide and genetically altered counterparts. In this book I will go step-by-step through the process of growing berries naturally and organically, from choosing which type will work best for your intended growing location, to how to store the leftovers to be fresh for months to come. I ll be honest with you, the process is MUCH EASIER THAN YOU THINK. With this book as your guide, you ll be able to easily supplement your diet with fresh and organic berries ALL YEAR LONG. Never again will your body have to suffer the negative repercussions of ingesting GMOs and pesticide ridden produce. Let me help you take the middle man out of the equation and bring the farmers market right into your kitchen. Close your eyes and imagine this, fresh strawberries, blueberries, raspberries waiting on your kitchen counter for you every morning. Sounds too good to be true, right? It s not, its possible and honestly, it is not that difficult. I have been growing all types of vegetables, herbs and fruit in realistically everywhere possible for years. I have taught my techniques to so many other people, many of whom have never even owned gardening gloves and now they provide their whole family with fresh berries for the...
