DeBolsillo, 2015. soft. Book Condition: New. Aventura e intriga en el marco de una expedición arqueológica secreta que pretende desenterrar increíbles misterios del Antiguo Egipto En un lugar lejano y pantanoso del norte de Sudán, un grupo de arqueólogos excava en secreto en busca de la cámara funeraria del rey Narmer, el faraón casi mítico que unificó los territorios egipcios en el 3200 a. C. , con la esperanza de descubrir la misteriosa doble corona de los dos reinos, una corona con poderes supuestamente mágicos. Sin embargo, y a pesar de las estrictas medidas de seguridad que rigen la plataforma construida encima del terreno fangoso, varias personas han desaparecido y una avería tras otra les impide avanzar. Con uno de los descubrimientos más importantes del Antiguo Egipto a su alcance, el director de la excavación acude al profesor Jeremy Logan, experto en la resolución de enigmas. Su capacidad de análisis es inigualable, pero la propia naturaleza y una maldición jugarán en su contra. La crítica opina. . . «Pocos escritores lo hacen mejor. » Booklist.
