The Art of Neighboring: Building Genuine Relationships Right Outside Your Door

By Jay Pathak, Dave Runyon

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. Once upon a time, people knew their neighbors. They talked to them, had cook-outs with them, and went to church with them. In our time of unprecedented mobility and increasing isolationism, it s hard to make lasting connections with those who live right outside our front door. We have hundreds of friends through online social networking, but we often don t even know the full name of the person who lives right next door. This unique and inspiring book asks the question: What is the most loving thing I can do for the people who live on my street or in my apartment building? Through compelling true stories of lives impacted, the author shows listeners how to create genuine friendships with the people who live in closest proximity to them. Discussion questions at the end of each chapter make this audiobook perfect for small groups or individual study.
