Authentic Media. Paperback. Book Condition: new. BRAND NEW, Paradigm Shift: A Scientist's Journey Through Experiment to Faith, Roy Peacock, Science and faith hang in the balance for one atheistically Inclined scientist, until his life is turned around by events he can only categorize as miraculous, which launches him into a powerful Christian ministry alongside his professional work. A personal memoir of events that have shaped the life of a practical scientist. The book tells a story, and along the way explores the synthesis Roy Peacock found after he came to faith in Christ. Testing the claims of the Bible in the same way he would any other truth-claims, he finds that God acts as dramatically and speaks as clearly today as he did in Bible times. People are healed spiritually and physically as Roy learns to trust God increasingly in every area of his life.
