Professor of Pathology in the Cooper Medica1 College of San Francisco, etc. Third Edition, Revised and Enlarged. Illustrated. New York: E. B. Treat. ISM Price, $2.75. IT The author has given us, in this book, a general outline of medica diagnosis. The work is systematically arranged, and the author s remarks are brief, concise and clear. There is no attempt made at elegance in style, nor is there any space taken up with the discussion of disputed theories, the author contenting himself with the plain statement of established facts. This, the third edition, has been revised and. enlarged by the addition of many synoptic tables, and a chapter...

Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
