Halo Publishing International. Paperback. Book Condition: New. Paperback. 326 pages. Dimensions: 8.7in. x 6.1in. x 0.9in.Equanimity: The Spirit Within is a book of memoirs and experiences which the author Samuel D. Bartoli started creating the day after he woke up from the most amazing journey of his life. This voyage led him through a trial by fire where he was face to face with the Devil himself in a battle for his soul. Samuel was a former amateur boxer who had spent the last five and a half years of his life trying to make it from the local boxing scene to the big time as a professional prizefighter. After developing a form of Pugilistic Dementia which he can only classify as a first stage impairment of the mental senses he began to develop: Slowed motor skills, impaired speech, lack of concentration while communicating along with shaky hands and blurred vision. Eventually knowing that this battle was going nowhere he could hear the final bell. Calling out to God, the Creator (Father Almighty) comforted and protected Samuel leading him away from the enemy and into Christs saving light. The book is a form of rebirth for any person looking for not only a new way in which to handle their fears or problems but to grab hold of life and truly enjoy it for its beauty and grace for which God has so richly blessed them with.
