Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 388 pages. Dimensions: 9.2in. x 6.1in. x 1.0in.In Book Two of the Mind Control Technology book series, the author details very personal experiences surrounding abuse and victimization by law enforcement using real time surveillance and highly advanced, patented, influence technology, as extremely low frequency technology (ELF) called psychological electronic or psychotronic on her covertly hoping to substantiate false allegations. When the manipulative effort failed resulting in this explosive tell-all book, the physical and psychological effort escalated as attempts to prevent publication and the authors living Hell around the clock by non-ionizing radiation inside her home. It appeared that those spearheading The Program were attempting to make good on the promise, by repeated threats, that if she did not stop publication she would suffer the consequences. And, the consequences could be deployed with ease from one of the approximate 120 state-of-the-art fusion intelligence centers across our country today, unseen or detectable or as close as a neighbors residence. Little known today, various advanced, highly perfected technologies are being used globally such as patented Synthetic Telepathy also known as the Hearing Voices effect, mind reading, consciousness altering, etc. , along with the capability of subliminal message carrying through communication towers and also satellite Neurophone. These new technologies are being used for manipulation and influencing, physical coercion torture, through microwave Directed Energy Weapons and acoustic weapons. The technological arsenal of today consists of technology which can manipulate thoughts, dreams, create visual holograms, or even stimulate a person sexually, electromagnetically, a new form of covert, legalized, terrorism, and it can be done from any of the numerous state-of-the-art fusion operation centers miles away through a super computer terminal or as close as portable devices from nearby. With the availability of highly advanced...
