HarperCollins Publishers (Australia) Pty Ltd, Australia, 2005. Paperback. Book Condition: New. Reprint. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.An in-depth and surprising look at the game, Sunday Morning Quarterback will dramatically change the way you watch football.You ve heard all the football cliches: Their offense is too predictable, or They ve got to win the turnover battle, or They didn t make any halftime adjustments. Perhaps you ve heard them so often that you ve come to see them as obvious truths. Whether it s discovering how a linebacker positions his feet before he blitzes or how to react if the safety is eight or nine yards from the line of scrimmage, knowing these dirty little secrets gives players and their coaches a tremendous advantage.In addition, Simms shares his insights into the enormous challenges coaches face in today s game, evaluating the top coaches and what makes them successful. He takes a look at some of the greatest players he s played with and against, and what he misses most about the game -- waking up Monday mornings feeling beat up and sore. He looks at the next generation of football players -- his son, Tampa Bay s Chris Simms, among them.Through it all, Simms shares stories from his playing days with Bill Parcells and the New York Giants, and...
