Liturgical Press. Paperback. Book Condition: New. Paperback. 254 pages. Dimensions: 7.9in. x 5.8in. x 0.6in.Is there a value to suffering for women Is Christianity a religion that condones the victimization of women Can Christians faith, who are called to hope in the midst of despair, respond to experiences of suffering in al their ambiguity and complexity How can people proclaim the good news in the midst of radical suffering Women and the Value of Suffering explores these questions and offers a critical summary of recent discussions of evil and suffering from a variety of womens theological and spiritual perspectives. It incorporates the insights of feminist theory, cultural studies, biomedical research, psychology, theology, and spirituality. By exploring the complexity of suffering in our times, it reflects on how women of faith can come to terms with the enormity, diversity, and, at times, apparent senselessness of human suffering. Chapter one introduces the search for meaning in suffering. Chapter two defines the experience of pain and suffering from current and historical perspectives. Chapter three surveys how women within a Christian context have spoken about suffering and how these expressions might be similar to or differ from the ways men theologize about suffering. Chapter four considers how an incorporation of a tragic Vision of reality might enhance theological considerations on evil and radical suffering of women. Chapter five focuses on the role of Christian spirituality in responding to the experiences of womens suffering. The conclusion provides a response to the question, is there a value to suffering for women, and incorporates the poem Rowing by Anne Sexton to convey that response. Women and the Value of Suffering contemplates whether women can find value in their suffering - individually and effectively - so that they are empowered to work for change while acknowledging their need...
