Rearming Hinduism

By Vamsee Juluri

Westland Limited, New Delhi, India. Softcover. Book Condition: New. Through an astute and devastating critique of Hinduphobia in todays academia, media and popular culture, Vamsee Juluri shows us that what the Hinduphobic worldview denies virulently is not only the truth and elegance of Hindu thought, but the very integrity and sanctity of the natural world itself.By boldly challenging some of the media ages most popular beliefs about nature, history and prehistory along with the usual Hinduphobic myths about Aryans, invasions and blood-sacrifices, Rearming Hinduism links Hinduphobia and its hubris to a predatory and self-destructive culture that perhaps only a renewed Hindu sensibility can effectively oppose. It is a call to see the present in a way that elevates our desa and kala to the ideals of the sanatana dharma once again.
