From a distance, Felix Fitzwilliam, the son of an old English family, is a good husband and father. But, obsessed with order and routine, he s a prisoner to perfection. Now Harry, a gifted teen grappling with the chaos of Tourette s syndrome, confronts a world outside his parents control, one that tests his desire for independence.As Harry searches for his future, and Ella adapts to the limits of her failing health, Felix struggles with his past and present roles. To prevent the family from being ripped apart, they must each bend with the inevitability of change and reinforce the ties that bind.
