Marco Paul s Travels and Adventures in the Pursuit of Knowledge - City of New York (Paperback)

Filesize: 5.42 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Erica Turcotte)

Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1845 edition. Excerpt: .ox escapes; and of cpurse his end of the yoke falls down to the ground. The boys stopped the steers and got them together again at the side of the road, just as I came up, and they were trying to yoke up again the one that had got away. The smallest boy was holding up the bow in its place, and the other, who Was considerably larger, was trying to put in the pin; but it seems that the small boy did not hold it up quite high enough, for the other called out to him, in a very loud and angry, and very imperious tone, Why don t you hold up that bow, you fool? I looked.out at him as I was passing, and said, Keep good-natured, my boy; the beauty of breaking steers is to keep good-natured. What did he say to that? asked Marco. I don t know, replied Forester; he stared at me very earnestly while I was saying it, but the moment that I finished my sentence, I was just opposite to him, and instantly afterwards the side of my chaise advancing, cut off the whole group from my view, so that I could not even see how he looked. Marco seemed quite interested in this story, and then he wanted Forester to tell him of some other scenes which were witnessed in travelling in the country. A short time after this, as I was going along, I...
