Paperback. Book Condition: New. Not Signed; What is the overarching storyline of the Bible? Is God violent? What is the Gospel? Can we find a way to address sexuality without fighting about it? At the opening of the twenty-first century, Christianity in the West is more fractured and beleaguered than ever. Groundbreaking author Brian McLaren suggests that if we are to get beyond doctrinal statements towards the life to the full that Jesus promised us, we need new paradigms for thinking and believing - and he invites us on a radical quest for a new kind of faith. Using ten key questions, McLaren boldly proposes what a future Christianity could look like. Radical yet orthodox, outspoken yet generous. This is a wise, compassionate book for all who are looking for an authentic, loving faith. book.
