THE WINTER COUNT

McGill-Queen's University Press. Paperback. Book Condition: new. BRAND NEW, The Winter Count, Dilys Leman, Defenders of the "business-as-usual" approach reject climate action as too costly and in conflict with economic growth, while downplaying the severity of climate change. Supporters of ecological modernization, or "green growth," on the other hand, aim to use technology and efficiency to delink economic expansion from emissions and find business opportunities through environmental action. While mainstream debate has focused on these two pro-growth models, Hayden pays...
