WILDWOOD A JOURNEY THROUGH TREES

DOWNLOAD PDF

Free Press. Paperback. Book Condition: New. Paperback. 416 pages. Dimensions: 8.8in. x 5.9in. x 1.2in.Here, published for the first time in the United States, is the last book by Roger Deakin, famed British nature writer and icon of the environmentalist movement. In Deakins glorious meditation on wood, the fifth element -- as it exists in nature, in our culture, and in our souls -- the reader accompanies Deakin through the woods of Britain, Europe, Kazakhstan, and Australia in search of what lies behind mans profound and enduring connection with trees. Deakin lives in forest shacks, goes coppicing in Suffolk, swims beneath the walnut trees of the Haut-Languedoc, and hunts bushplums with Aboriginal women in the outback. Along the way, he ferrets out the mysteries of woods, detailing the life stories of the timber beams composing his Elizabethan house and searching for the origin of the apple. As the worlds forests are whittled away, Deakins sparkling prose evokes woodlands anarchic with life, rendering each tree as an individual, living being. At once a travelers tale and a splendid work of natural history, Wildwood reveals, amid the worlds marvelous diversity, that which is universal in human experience. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
