In this November 2011 interview, MAJ Sowell discusses the significant leadership challenges of his deployment, including poor communication, lack of senior leadership, and significant fraternization among the Soldiers, and how he faced and eventually overcame those challenges. MAJ Sowell concludes his interview with the observation, As a commander or leader you have to manage to a certain point that your folks or the folks that work with you don t end up getting the brunt of all the stuff that comes with a deployment. As a leader, you have to try and make life as simple as possible.
