Each fall this publication from the Society for American Baseball Research (SABR) explores baseball history with fresh and often surprising views of past players, teams, and events. Drawn from the research efforts of more than 6,700 SABR members, "The National Pastime" establishes an accurate, lively, and entertaining historical record of baseball. "A Note from the Editor, Mark Alvarez: " It's slipping by unnoticed, but 1993 is the 100th anniversary of modern baseball. A century ago this past April, pitchers for the first time in official play toed a slab sixty feet, six inches from the intersection of the foul lines. This was the last of the great changes made in the game during the vigorous, experimental, unrestrained, untraditional nineteenth century. The diamond was set. A hundred years ago, baseball was already the national pastime, but it was still a relatively young sport. If we superimpose our year on 1893 and look back, baseball's development seems remarkably...
