Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Grady H Pennington (illustrator). 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In Rethinking the Law of Attraction, P.R. Young reveals how to get what you want more often with a deeper understanding of how you create your life. Rethinking the Law of Attraction is for everyone who has tried using modern-day formulas for getting what you wanted and who hasn t experienced the kind of success they had hoped for. Confusion about the law of attraction includes where it comes from, how to use it, and contradictory definitions offered in these modern-day formulas. In Re-thinking the Law of Attraction, readers are invited to discover the truth for themselves by following along on the author s journey as she develops an historical perspective of LoA and reveals the core concept underlying conscious co-creation sans mystery or hype. She identifies reasons why people fail and offers advice and maps to success from current to ancient texts. And, she shares decades of experience as teacher and counselor in guiding others to achieve their goals. P. R. Young, a retired professor and student of metaphysics for forty years, wrote a little paper for her master s degree in metaphysics choosing the law of attraction (LoA) for her topic. She told herself it was a gesture of camaraderie with her adviser who had written on the same topic. But when her adviser left the program, the compulsion to pursue the topic continued. Young then imagined her work was meant to educate others, help them to identify why their efforts as using LoA were not successful. Long after that paper had been submitted, Young continued her research. Digging deeply into the history of modern-day formulas for getting what...
